## LAKELANDS GOLF COURSE

*Situated in the heart of Queensland's Gold Coast, Lakelands Golf Club is Jack Nicklaus' first signature designed course in Australia. The multiple tee positions make the course user friendly yet challenging, whatever the standard of golf you play.*

*Lakelands has been awarded Australia's best-conditioned public access golf course several times in its 28 years of operation, establishing it as the preferred venue for Australia's leading corporate companies.*

# OUR STORY

---

Lakelands Golf Club is one of the Gold Coast's premier championship golf courses and a significant part of Australian golf history as the first Australian "signature" design by golf legend Jack Nicklaus. Opened in 1997, it was developed after Nicklaus spent over 25 years selecting the ideal location for his first Australian course. The par-72 layout is known for its "risk and reward" design, featuring strategic bunkering, large water hazards, and immaculate conditioning that reward accuracy and smart play.

*One of Gold coast's premier championship golf destinations*
