"If the sound of sprinklers makes you reach into your pocket for a tee, if you save your old scorecards, if you love your children to teach them this game, then I know you. And you can call me Jack"

Lakelands Golf Course

Situated in the heart of Queensland's Gold Coast, Lakelands Golf Club is Jack Nicklaus' first signature designed course in Australia. The multiple tee positions make the course user friendly yet challenging, whatever the standard of golf you play.

Lakelands has been awarded Australia's best-conditioned public access golf course several times in its 20 years of operation, establishing it as the preferred venue for Australia's leading corporate companies.

Jack 'The Golden Bear' Nicklaus

The name Nicklaus has long been associated with greatness on the golf course. After playing numerous tournaments and exhibitions throughout the early 1960s on courses designed by the head golf professional or superintendent at those clubs, Jack developed an eye and an interest in what was good in golf course design. Then, in the mid 1960s, course architect Pete Dye invited Jack to The Golf Club in Jack's hometown of Columbus, Ohio. Dye was designing the course, and asked Jack to look at what he was doing and offer his suggestions. Since this time Jack has been honored with every significant award that recognizes excellence in course design and development.
